

Direct Recruiter is a powerful, versatile and easy to use online e-Recruitment tool for HR Departments and Recruitment Agencies specifically designed by MCI Consultants to automate the recruitment process.

The greatest challenge for businesses in the coming years will be to attract and retain talent.

Direct Recruiter enables recruiters to:

- Attract and retain better quality candidates using alternative and direct sourcing strategies;
- Build large searchable talent pools;
- Automate recruitment activities;
- Manage service providers better;
- Reduce the time to hire by streamlining recruitment processes and reducing admin;
- Track and manage each of your vacancies;
- Reduce cost per hire through reduced administrative burdens, better controls and increased efficiencies;
- Reduce total recruitment spend through lower dependency on third party suppliers;
- Deliver a great candidate experience dedicated to your internal and external applicants with functionality that includes configurable search criteria and job lists.
